UTAH NAME

Join educators, students, community leaders, and advocates from across Utah for the

2027 Utah NAME Annual Conference

ROOTED IN PURPOSE: OUR STEADFAST COMMITMENT TO MULTICULTURAL EDUCATION

At a time when the work of creating inclusive, equitable, and affirming learning environments requires both clarity and commitment, this conference invites us to reconnect with the purpose at the heart of multicultural education. Together, we will learn, share practical strategies, strengthen our communities, and explore how we can continue creating educational spaces where every student is valued, represented, and supported.

March 5th at Utah Valley University
